How to use the Browse Shifts feature

07:15 - 12:14 Early

The Browse shifts feature allows you to search for shifts available near you. Here you can simply search and request shifts, notifying your

consultant to book you into the placement. 1. Visit the Browse Shifts feature on the homepage. **View Shift Browse Shifts** 2. The page will show all shifts that match the preferences 1292400 ID you gave us using the Preference feature. To change the search parameters click the filter button in the top left of the Croydon University Hospital Tameside page. Here you can tell the App to disregard your Client Integrated Assessment l preferences so you can browse any and all shifts. 07:00 - 13:30 Early Heathfield 2 Ward Tameside Ward Nurse AMU3. Once you find a shift you like, click on 07:00 - 13:30 Early the shift and simply click: GB5 Filter Shifts **Request Shift** Barnsley Hospital 21/07/2021 Shift Type 07:00 - 14:30 Early JUN All Types 4. Your consultant will now be notified 19:30 and will book you into the shift and Tameside Job Role TUE Integrated Assessment Unit send you a booking confirmation.
